Mental Health Therapist

St. Paul, MN

Project Pathfinder has been providing prevention programs for over 30 years. Using what we know about the factors that contribute to sexual abuse, we implement programs that stop abuse from happening in the first place. We are passionate about providing affordable and effective treatment services in cooperation with allied professionals who are involved in a client's treatment plan. We are committed to working with clients on how to intervene to stop abuse before it happens and treat harmful sexual behaviors, so it never happens again. Our strong client relationships are characterized by a spirit of partnership and trust. Project Pathfinder strives to be a healthy and happy workplace, and we are willing to accommodate employees with flexibility in hours and other personal needs. You can visit us at www.projectpathfinder.org.

Job Description

The Therapist position at Project Pathfinder in St. Paul, MN provides clinical services to our clients such as individual therapy, group therapy, family therapy and other modalities as appropriate. We are currently seeking professionals who are licensed or license eligible (LPCC, LMFT, LICSW track) and preferably have experience with issues related to sexual offense and problematic behaviors.

We are looking for full time employees who can work in one or more of our St. Paul, Monticello, St. Cloud, or Winona offices. This job may require some travel depending on the office you choose to be located in.
